The minerals on these tracts are also owned by the United States Department of the Interior Bureau of Land Management. The surface is owned by Harold D. Wright, 430 N. Our company is interested in leasing NE/4 SW/4 Section 1, Township 15 South, Range 32 West in Logan County, KS. The minerals are owned by the United States Department of the Interior Bureau of Land Management as a result of a November 12, 1925 mineral reservation. The surface is owned by WUS Farmland Ltd., a Colorado Limited Liability Company, 2450 Central Avenue, P 3-4, Boulder, CO 80301. My understanding is that this tract is currently available for lease. Please advise regarding next steps.
